

Article number: 1002.05

Weight*: approx. 5.0kg

Dimensions*: 1310 x 630 x 410mm(b x h x w)

Wheel diameter*: 125 mm

Delphin II Duo is a model from our Delphin series. Its lightweight but sturdy round iron construction makes it the ideal picking cart for strawberry harvesting. Delphin II Duo is equipped with easily accessible handles. It can be used to stack 2 boxes without slipping. Its high side rails in the front and middle also make it suitable for wooden crates or other non-interlocking boxes. Thanks to its slide-bearing wheels, it provides excellent weight balance. The Delphin II Duo picking cart, for harvesting strawberries and other crops, is equipped with a bucket holder at the rear. The durable weather-protected surface contributes to the longevity of the material. Galvanised version.

Highlights

- ✓ User-friendly
- ✓ Better sorting and waste disposal
- ✓ Fitting box size:
e.g.: 600 x 400 mm, 2 x 400 x 300 mm
- ✓ Puncture-proof wheels made of polyamide hard castor
- ✓ Provides staff economy and efficiency
- ✓ Optimal for strawberry harvesting
- ✓ Galvanised
