

1083 | Box trolley with plug-on handle

Article number: 1083

-  Weight*: approx. 37.0 kg
-  Dimensions*: 1325 x 830 x 880 mm (b x h x w)
-  Wheel diameter*: 250 mm

The box trolley features a stable, welded angle frame construction (EN 102171) and comes equipped with 2 castor wheels and 2 fixed castors. The wheels are also galvanised and made of solid rubber, d = 250 x 50 mm. The sturdy cart is equipped with an easily accessible plug-on handle. For use with box dimensions of 2 x 600 x 400 mm side by side or a pallet size of 1,200 x 800 mm (euro-pallets). The tier height is 1700 mm and has a load capacity of approx. 500 kg.

The durable weather-protected surface contributes to the longevity of the material. Galvanised version. Ideal for in-house transport. Simple and efficient.

*Production-related tolerances are possible in the specified data, weights and dimensions. No legally binding assurances of specific properties can be derived from this information. Errors and omissions excepted.

Suitable for the following crops::

Fruit

Vegetables
