The Muli mono triple transport cart in green is centrally mounted on one wheel, which makes it the ideal picking cart for strawberry and asparagus harvesting. The sturdy transport cart is equipped with easily accessible handles. It can be used to stack 3 boxes to 4-high without slipping. Thanks to its wheel with roller bearings, it provides excellent weight balance. Durable, weather-protected surfaces ensure material longevity. Powder-coated version. Optimised transport costs due to bolted rear angle and push handles.
