

1014.33.01 | Muli II Plateau 5-fold

Transport cart with sealed plywood board

Article number: 1014.33.01

-  Weight*: approx. 51.5 kg
-  Dimensions*: 2700 x 750 x 1000 mm (w x d x h)
-  Wheel diameter*: 400 mm

The Muli II platform transport cart is a particularly stable platform cart with safe weight balancing and handling. The sturdy cart is equipped with easily accessible handles. The waterproof, sealed plywood board of the transport cart ensures box stability even in bad weather. An additionally available railing secures the stacked boxes against tipping over during harvest transport. The transport cart is delivered in disassembled parts. The rear element and the handle are screwed on and therefore very easy to ship. The durable weather-protected surface contributes to the longevity of the material. Galvanised according to DIN EN ISO 1461.

*Production-related tolerances are possible in the specified data, weights and dimensions. No legally binding assurances of specific properties can be derived from this information. Errors and omissions excepted.

Suitable for the following crops::

Strawberries	Vegetables	Raspberries	Fruit
Asparagus	Bush berries	Tomatoes	

 **Made in Germany**
