The Muli II Plateau transport cart is a particularly stable platform cart with safe weight balancing and handling. The sturdy cart is equipped with easily accessible handles. **The waterproof sealed plywood board ensures box stability even in bad weather.** The transport cart is delivered in disassembled parts. The rear element and the handle are screwed on and therefore very easy to ship. The durable weather-protected surface contributes to the longevity of the material. Galvanised according to DIN EN ISO 1461.
