

Article number: 1010.03

Weight*: approx. 19.5 kg

Dimensions*: 905 x 440 x 1010 mm (b x h x w)

Wheel diameter*: 260 mm

The Wiesel II Duo "Narrow model" is based on the basic model Wiesel III Solo Duo from the series of the same name. The gauge of the Wiesel II Duo picking cart is much narrower in comparison. This makes the cart especially suitable for harvesting in tight rows. The cart is also the ideal picking cart for elevated crops. The attachable basket of the cart is secured with a chain and the sturdy construction of the harvesting cart guarantees safe handling in all work situations. Thanks to its large, puncture-proof wheels with roller bearings, it provides excellent weight balance. Galvanised version.

*Production-related tolerances are possible in the specified data, weights and dimensions. No legally binding assurances of specific properties can be derived from this information. Errors and omissions excepted.

Suitable for the following crops::

Raspberries

Tomatoes

Bush berries

Bush vegetables

 **Made in Germany**

Highlights

- ✓ User-friendly
- ✓ Fitting box sizes:
e.g.: 600 x 400 mm, 400 x 300 mm
- ✓ Puncture-proof tyres
- ✓ Provides staff economy and efficiency
- ✓ Sturdy square tube construction
- ✓ Galvanised
- ✓ Two storage tiers for different box sizes
