

### Article number: 1010.01

- Weight\*: approx. 21.0 kg
- Dimensions\*: 900 x 440 x 1010 mm (b x h x w)
- Wheel diameter\*: 260 mm

Wiesel III is the initial model from our Wiesel series. Its sturdy square tube construction makes it the ideal picking cart for harvesting raspberries and other bush berries. Wiesel III is equipped with easily accessible handles. It features two tiers holding 3 to 4 boxes of various dimensions which can be stacked without slipping. Thanks to its large, puncture-proof wheels with roller bearings, it provides excellent weight balance. The durable weather-protected surface contributes to the longevity of the material. Galvanised version. The 3-step ladder is a separate article.

\*Production-related tolerances are possible in the specified data, weights and dimensions. No legally binding assurances of specific properties can be derived from this information. Errors and omissions excepted.

#### Suitable for the following crops::

Blackberries	Vegetables
Raspberries	Bush berries

**Made in Germany**

#### Highlights

- ✓ User-friendly
- ✓ Fitting box sizes: e.g.: 600 x 400 mm, 400 x 300 mm
- ✓ Puncture-proof tyres
- ✓ Provides staff economy and efficiency
- ✓ Sturdy square tube construction
- ✓ Galvanised
- ✓ Two storage tiers for different box sizes
