

The Wiesel III, the first model in our Wiesel series, impresses with its sturdy square tube construction, making it ideal as a picking trolley for raspberry harvesting or other bush berries. It is equipped with easily accessible handles and allows 3-4 boxes to be stacked securely on two levels, with different box dimensions taken into account. The balanced centre of gravity is ensured by the large, puncture-proof wheels with roller bearings. The weather-resistant surface galvanisation contributes to the durability of the material. The 3-step ladder is a separate item.

#### ARTICLE-NUMBER 1010.01

weight\*: ca. 21,0 kg

\*: 900 x 440 x 1010 mm (B x T x H)

Wheel dia.\*: 260 mm

#### VERWENDBAR FÜR FOLGENDE KULTUREN

blackberries

rasberries

shrubberries

vegetables
