CURVE. PRECISION. MASTERY.

The Herbika rack sprayer has a water tank with a capacity of 150 litres. It is fitted with a two-row boom, each row having either 3 or 6 nozzles. The boom of this sprayer can be custom-made to suit individual requirements, ensuring it adapts perfectly to different racks. Thanks to its compact design, the rack sprayer can be easily towed by a small lawn tractor, as it does not require an external power supply.
