1212 / 1213 / 1215 NETS

METASA
CURVE. PRECISION. MASTERY.

METASA offers a wide range of high-quality nets for professional horticulture, agriculture and domestic use. Our shade nets, windbreak nets and insect screens create optimal growing conditions and reliably protect crops from external influences.
The nets are manufactured from high-quality, UV-stabilised synthetic fibres and are characterised by their high tear resistance, weather resistance and long service life. We stock the nets as standard in 50 m and 100 m rolls.
